

Certificate No. 1957601

**CERTIFICATE OF PATENT
FOR INVENTION**

Title of the Invention: PHARMACEUTICAL COMPOSITION

Inventor(s): SOVIC BRKICIC, LJILJANA;DOKUZOVIC, ZDRAVKO

Patent No.: ZL2012800222275

Date of Filing: April 5, 2012

Patentee(s): BRKICIC, CVJETKO;SOVIC BRKICIC, LJILJANA

Date of Issue: February 17, 2016

This invention has been examined in accordance with the Patent Law by this Office and it has decided to grant the patent right, issue this certificate and record the grant in the Patent Register. The patent right shall come into effect from the date of issue.

The duration of the patent right in respect of this patent is 20 years counted from the date of filing. The patentee shall pay the annual fee in accordance with the Chinese Patent Law and its Implementing Regulations. The time limit for payment of the annual fee of this patent is within one month before April 5 each year. Where the annual fee is not paid as prescribed, the patent right shall cease and expire on the date the annual fee was due.

This patent certificate records the legal status of the patent right at the time of registration. Other matters, such as patent transfer, pledge, invalidation, cessation, restoration, or change of the patentee's name, nationality and address, shall be recorded in the Patent Register.
